

AGS Silent Auction 2010
Wednesday, June 23 – Saturday, June 26

Burton Morgan Classroom 216

Several years ago a tradition was started to raise funds for the organization by encouraging AGS conferees to donate items to a silent auction held during the annual meeting and conference. These donations are displayed during the conference and bids are made on bid-sheets provided. At the closing time the highest bids at that moment are accepted. The proceeds from the silent auction are contributed to the AGS general fund.

All members are encouraged to donate items such as gravestone or history related books, objects, memorabilia, photographs, or papers. Decorative, fun gravestone or funeral related items are also welcome.

Items can be dropped off in the silent auction room. A receipt for the donation can be requested at that time.

The silent auction will close promptly at 5:30 PM on June 26 (before the Forbes Award banquet).
