BRONZE Co  
BRIDGEPORT, CONN.

CATALOG B

# Announcement.

The designs shown in this pamphlet are reproductions of some of our most popular styles in low and medium-priced family monuments. We have a great many others, also designs of headstones, grave covers, markers, posts, etc., and plenty of higher-priced designs. If you don't find what you want among these designs don't fail to let us know: we can surely please you if we know what is wanted. In this grade of designs, however, those here shown cover the majority of our orders, even where people inspect our whole line.

PRICES and dimensions are given below. Order by number only. Our price on a monument covers all inscriptions desired, all in bold, raised letters, also suitable emblems, if wanted (See page 16), all without extra charge. All these designs are made with removable inscription tablets and new inscriptions can be added at any time at very slight expense. Lettering can be put on all four sides of square monuments, and on the sarcophagus styles on the back as well as front.

Information in regard to our material, testimonials from customers, etc., will be sent you herewith.

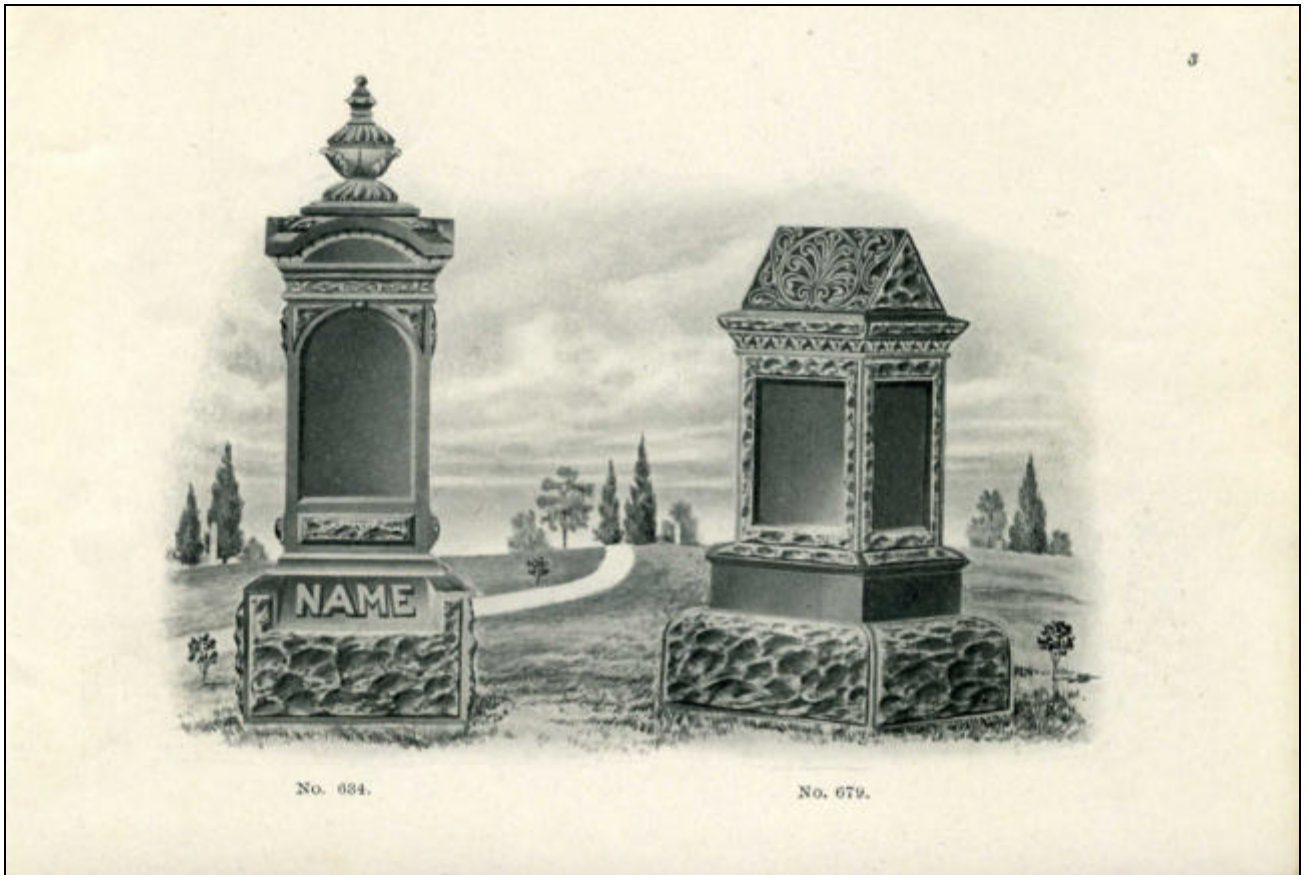

Yours for Artistic and Ever-Enduring Memorials,
